

## Feedback:

We have recently changed the way we manage newly diagnosed children with diabetes on the ward at RUH so we would really appreciate your feedback about your experience

What has been your experience with our **ward education programme**? Please tell us what went well and what we need to improve

**Went well:**

**Even better if:**

How was the length of time you were in hospital? Circle which applies to you

**Too long?**

**Too short?**

**About right?**
