

Internet Explorer browser window showing the Queen's University Belfast website. The address bar displays <http://www.qub.ac.uk/elearning/public/Diabetes/>. The page title is "Queen's University Belfast".

The website header includes the Queen's University Belfast logo and navigation links: "Accessibility" and "Skip to Content". A green navigation bar contains "Diabetes" and a search box.

The main content area features a photograph of a healthcare professional interacting with a patient. Below the photo is a sidebar menu titled "Diabetes" with the following items:

- Introduction
- Contraception
- Why Plan?
- Risks
- Pre-pregnancy Checklist
- Support Team
- Diet
- Blood Glucose Targets, Hypos and Ketoacidosis
- Pregnancy: Trimester by Trimester
- Delivery
- Postnatal Care

The main content area is titled "Diabetes" and contains the following text:

This is an online learning resource which has been developed to support learning in relation to diabetes and pregnancy. This resource is aimed at students who will be caring for women with diabetes at any stage during the preconception, pregnancy, birth and postnatal process.

This is a supportive learning resource – so please try and challenge yourself by answering all questions on each page before clicking on the 'correct' answers – you are not being assessed!

The Windows taskbar at the bottom shows the system tray with the date and time: 09:28, 17/05/2013.
